5. FUNDRAISING ACTIVITY:

The committee discussed the magnets suggested by Jim. The goal is to have them made at price that will allow us to make a profit of \$3.00. Jim presented the three designs and it appears that the committee has chosen the first one on his list. The samples Jim made are 2" X 3.25" and are quite thin without a polished surface. It would be difficult to sell these and make a \$3.00 profit. Anne will get information from Mary Rentz in Pittsfield and will also check with Aldam Press to see if they can make these magnets.

6 ARBOR DAY:

The 2015 Arbor Day celebration is scheduled to take place on May 8, 2015 at 10 a.m. at the

Lanesborough Elementary School with the 3rd grade. Anne will discuss possible activities for the 3rd grade with Ms. Mello – perhaps some Haiku, art, a timeline of King Elmer's 250 years?

Part of the celebration will consist of tree education by Jim, reading of the Arbor Day Proclamation and a sing along with former Committee member Robert Fraker. Jim, will invite Mr. Paul Seiloff, the Town Administrator to read the proclamation.

We will give each child one of the magnets.
